Dear Sir or Madam:

Thank you for your letter, it was very interesting and I will keep the information to hand.

Having been Chairman of Highland Youth Voice for the past two years, Vice-Chair for two years before that and an active member of my local Youth Forum I am aware of many of the issues facing Young People in the Highlands.

Young People in need require and deserve adequate, innovative support which helps them achieve and succeed in society.

Although I cannot promise an increase in spending on Youth Issues – because I will only be one of many councillors if elected - I *can* promise I will work very hard to bring such an increase in spending about.

Were I elected I would also be very happy to meet with your organization and discuss issues facing Young People in Need in Highland.

Sincerely,

Sunny Moodie
